

B-200 SCHEDULE

The weekly schedule is no longer available on the website. To schedule a flight request for the B-200 aircraft, submit a flight request by using the FLIGHT REQUEST link, or you may contact the flight scheduler.

V. Wade Davis

Flight Scheduler

Phone: 757-824-1465

Email: vaughn.w.davis@nasa.gov

Please Note: For flights in support of reimbursable or programmatic projects, please inform the flight scheduler who will work with resources management to determine whether funding information is required.
